Blackout Pointers Available Here

Blackout Pointers, a pamphlet on the do's and don'ts for blacking out homes as recommended by a blackout precautions advisory committee, may be had by calling at the Pacific Gas & Electric Co. office at 2120 Broadway.

Illustrations of typical ways to apply blackout materials are given, as are a shopping tour list of blackout materials with sizes available and approximate prices and procedure for household gas users during air raid alarms.

HEAT IN A HURRY for Blackout Rooms

USE A HANDY PORTABLE ELECTRIC HEATER

When you want heat in a hurry there is nothing quite as satisfactory as a handy, portable electric heater. Just plug one into a convenience outlet and heat comes forth as warming as a flood of sunlight. Keep an electric heater standing by in your blackout room. Stay healthy and well. Guard against chill.

A quality-built electric heater will give dependable heating service for many, many years.

Wishes the Citizens of
SAN MATEO COUNTY

A SUCCESSFUL 1942

There is no blackout in San Francisco's services to Northern and Central California. In war as in peace, our city is pledged to friendly cooperation with our neighbors, as our shipyards and factories produce to the limit for national defense.

THOMAS A. BROOKS ANGELO J. ROSSI HAROLD J. BOYD
Chief Administrative Mayor Controller and Chairman,
Officer Regional Service Committee

"THANK YOU—from all of us"

"Just before Christmas, we told you that we would appreciate your lending us a hand over the Holiday Season by not sending greetings by Long Distance.

"We asked this in order to help keep the lines available for calls important to defense.

"In spite of all our extra operators could do, there were many more calls than could be handled without delay. We are exceedingly sorry for the delay, but grateful for the friendly cooperation you gave us all through these busy days. Thank you. It really helped a lot.

"We assure you that we will do our level best, under existing conditions, to render you the finest service possible during the coming year."

Special Sections To Be Reserved For Civilian Defense Workers

Special sections in Sequoia High School's 1000-seat auditorium will be reserved for members of Redwood City's civilian defense setup and they will be especially honored when the patriotic rally is held next Wednesday night in Sequoia High School Auditorium as a substitute for the annual Community Dinner.

This was decided Tuesday afternoon when the Redwood City Chamber of Commerce's committee in charge held an "on the spot" meeting in the auditorium to perfect details

of the meeting. Present were Pres. Norman S. Meniffee, Secy.-Manager Roscoe D. Wyatt, Charles G. Lambert, Kenneth L. Bowen, A. C. Argo, Floyd D. Granger and Otis M. Carrington.

All members of the civilian defense setup—air raid wardens, block matrons, Red Cross workers, auxiliary firemen and policemen, typists, etc.—are urged to attend the meeting and to be on hand before the starting time of 8 o'clock. Leaders of each group have been asked by

Granger, city councilman in charge of this phase of the program, to report to him in advance how many seats they wish reserved.

That there will be ample room for the general public and for members of the sponsoring chamber of commerce was assured by Argo, Sequoia superintendent, who said if necessary extra chairs could be placed along the sides of the auditorium. Loud-speaking equipment will be on hand so that the entire program can be heard in all parts of the auditorium.

Carrington and Max L. Gelber, musical directors at the high school, will conduct the chorus and orchestra, respectively, in patriotic numbers.

Mayor Harold F. Anderson, head of the civilian defense council, will occupy an honored place on the speaker's platform with Chamber President Meniffee. Speaker will be Maj. Gen. Paul B. Malone, widely-known retired U. S. Army officer who holds many medals and citations and is regarded highly as a public speaker. He will discuss "The Road to Peace."

The program will be entirely free. President Meniffee stressed the fact that the public is invited. Service clubs and other organizations who usually participate in the Community Dinner have been invited by him to attend in groups. They will be introduced at the meeting.

Plans Made To Abate Two Houses Here

Action looking toward eventual abatement or modernization of two old Redwood City houses was taken by the city council Monday on recommendation of the citizens' cleanup committee.

Owners of the places were directed to appear before the council at a meeting in City Manager C. L. Dimmitt's office at 7:30 p.m. Jan. 19 to show cause why abatement proceedings should not be started against the places.

One, which Mayor H. F. Anderson said was believed to be the oldest house in Redwood City, is located at 631 Main St. The other is adjacent at 623 Main St. Both were reported by building and health inspectors to be in unsatisfactory condition.

Insisting that action be taken against the places, Councilman Evans A. Fletcher introduced a motion that was unanimously approved to call in the owners for discussion of the property.

The council also: Appointed Thomas W. Cutting to a six-year term on the civil service board of review. His short term, drawn when he was first appointed last year, expires Jan. 15.

Delayed till next meeting discussion of the traffic survey.

Approved holding late this month by city recreation department of a community sing and band concert (a similar program was canceled several weeks ago because of insufficient blackout precautions having been available).

Postponed till next meeting consideration of the need for a flagman at the Jefferson Ave. railroad crossing.

Approved provisions for an agreement with National Motor Bearing Co. for construction of sewer facilities for its new plant to be located at Bayshore Hwy. and Chestnut St.

Mrs. Rose Thibault Dies in Car Crash

Mrs. Rose Thibault, 41, 3313 Oak Knoll Dr., Redwood City, was killed Sunday when the car in which she was riding collided with another driven by Charles K. Goodrich of Porterville on Monterey Hwy. near San Jose.

Mrs. Thibault was riding with her son, Robert A. Thibault, 18, who suffered cuts and bruises. Her daughter, 2-year-old Marie Rose, also was cut and bruised and the fourth passenger in the car, Wendell Fisher, Camp Roberts soldier, suffered mild concussion.

Goodrich was unhurt. Highway patrolmen reported that the Goodrich vehicle, headed south as was the Thibault machine, suddenly veered in front of the Thibault auto, causing both vehicles to overturn.

Mrs. Thibault, who had lived here for the past 15 months, was a saleslady in a candy store. She was the wife of Ralph F. Thibault and the mother of Leonard and Audrey Thibault in addition to the two children injured in the accident. Her mother, Mrs. Elizabeth Davis of San Francisco, also survives, as do two sisters, Mrs. Margaret Youngberg of San Carlos and Mrs. Elsie Green of Belmont, and a brother, Ralph Calabrese of Redwood City. She was a native of Salt Lake City.

Lubang Island is chief of the island cluster commanding shipping routes to Manila.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—It has been reported that Stanford University will erect two large buildings on the Hopkins property early in the Spring. The 400-acre tract was bequeathed to the University by the late Mrs.

Timothy Hopkins, whose husband was a trustee of the institution.

The rainfall, according to the gauge on the Southern Pacific depot here, has been to date 7.24 inches, as against 7.97 inches at this time last year. The average season's precipitation is 14.30 inches.

The old Crane home on Oak Ave. has been converted into a duplex apartment by the owner, Mrs. Charles Merrill, and is ready for rent.

Francis Feeley is confined to the Palo Alto Hospital recovering from a severe illness. He is expected to return to his home next week.

The rainy weather has retarded the work of moving back the buildings on the highway through town. This work will be vigorously pushed when weather permits.

Just as soon as the weather clears work will start on two business buildings in Menlo Park. Both prospective structures have been leased for a period of years.

Anniversary Program Planned

Charles Laughton, Robert Cummings and Deanna Durbin in a scene from "It Started With Eve," the hilarious comedy of young love which opens at the Carlos Theater Sunday as the principal feature on the Gala Anniversary Program. The theater will be one year old on that day. "South of Tahiti," starring Brian Donlevy and a Walt Disney cartoon complete the program.

Installation Planned By Exchange Clubs

Plans for a joint installation dinner dance with Palo Alto Exchange Club were completed by the Redwood City club Tuesday at a meeting at Cafe de Paris where a motion picture depicting various ways of using ice was seen.

The Ladies Night will be held Saturday, Jan. 17, at Cafe de Paris. Albert J. Terremere Jr., newly-elected president, and his corps of officers will be seated for the local club.

It is rumored that one of the stores is to be occupied by a large chain concern.

Blackout Patrol Force Planned in Rural Area

State Highway Patrol Capt. E. F. Cassell disclosed here that he is organizing an auxiliary patrol force in San Mateo County to handle traffic diversion in the rural areas and blackout enforcement on the highways.

Cities have assured him, he said, that they can handle the blackout traffic problem on all highways within their limits, but that air raid wardens are required for the rural area highways. Some 25 critical points have been designated by the captain.

Sgt. Manfred Walzberg is organizing the highway patrol volunteers, the captain said.

Tire Quotas For Cities Announced

Redwood City's Tire Rationing Board has received notification of the city's January quota: 16 tires and 14 tubes for passenger cars, 27 tires and 22 tubes for trucks. The figures came from the county defense committee through A. R. Farless, co-ordinator.

For the Atherton-Menlo Park area, which was joined together, 7 car tires, 6 car tubes, 11 truck tires and 9 truck tubes were allotted.

For the entire unincorporated area of this county, 36 passenger car tires, 30 tubes, 60 truck tires and 51 tubes were allotted.

Quotas for other Peninsula cities were as follows:

City	Car Tires	Trk. Tires	Car Tubes	Trk. Tubes
San Carlos	5	4	8	6
Belmont	2	1	2	2
San Mateo	25	21	42	35
Burlingame	20	17	34	29
San Bruno	8	7	14	12
South S.F.	9	8	14	12
Daly City	12	10	21	17
Hillsborough	4	3	6	5

Whether or not requirements of the sheriff's cars, trucks of the county forest service and other county departments would be charged against Redwood City has not yet been decided, according to Farless.

Local boards, operating under the Office of Price Administration, have authority to grant purchase permits only to persons clearly eligible under rules adopted in Washington, D. C. They may not change regulations, but may ask a special OPA unit to aid them in interpreting the rules.

Census Shows 111 Factories in County

San Mateo County has a total of 111 manufacturing plants, a report issued by the U. S. Department of the Census disclosed today.

Of the 111 plants, the more numerous are plants engaged in manufacture of food and kindred products, with 37 engaged in this activity. Next largest single manufacturing group is that which makes chemicals and allied products, which has 14 units in this county, some of them large.

Stone, clay and glass products companies number 13 in San Mateo County, and printing, publishing and allied printing trades plants run fourth with 12 companies. Lumber and timber basic products have 10 plants in the county, and manufacturers of iron and steel products number eight. Machinery manufacturers total five, leather and leather products companies, as well as those which manufacture electrical machinery, number three each, and furniture and miscellaneous industries total two each. One plant each makes automobiles and automobile equipment and non-ferrous metals and their products.

The United States has never lost a war, nor the navy a fleet action.

Mrs. Judith Mellberg Dies at San Carlos

Funeral services were held at the Layng & Tinney Funeral Home in Redwood City Monday for Mrs. Judith Matilda Mellberg, formerly of Burlingame, who passed away early Sunday at the San Carlos home of her daughter, Mrs. Grace Olson, with whom she had lived for the past month. Her death was believed due to a heart attack.

Mrs. Mellberg, who was 53, was the mother of Byron and James Mellberg of Burlingame and Miles Mellberg of San Mateo; sister of Mrs. Jennie Erickson of Nebraska, Mrs. E. A. Malmberg of Turlock and Edwin Erickson of Fresno. She was a native of Newman Grove, Nebr.

The body was shipped to that city for interment in Hope Cemetery.

Man Given Jail Term For Beating Mother

Roy Pelton, 33, Avery St., Menlo Park, was jailed for 90 days Tuesday by Justice of the Peace Edward I. McAuliffe for beating his elderly mother, Mrs. Ida E. Pelton, at her Menlo Park home. According to Dep. Sheriff Milton Minehan, Pelton was arrested Dec. 30 after a fracas with his brother in a San Francisco hotel. Warned that he was returning home, the officer was waiting for him.

Pelton saw the sheriff's car, fled, but was overtaken in a 75-mile-an-hour chase on Portola Rd., Minehan said. Pelton was warned, the officer left, but was recalled shortly after 11 p.m. when the mother said he had struck her. Pelton was released on \$100 bail. The following Sunday he locked his mother out of her home, according to Minehan.

Tire Shortage Curtails Insurance Service Here

Local insurance agents will have to do their own servicing, it was revealed at a meeting of Redwood City insurance agents Tuesday, because special agents will be taken out of the field to save rubber.

This decision will take about 54 special agents off the Peninsula, according to Teddy Lauman, secretary-treasurer of the local insurance board. Harry Mulvihill of San Francisco spoke at yesterday's meeting.

Children in Grand Rapids, Mich., primary schools direct their own study periods.

Pelton is a sandblaster at a South San Francisco steel mill. He recently served 100 days in the county jail for resisting arrest in San Mateo.

Belmont Laborer Learns About the Draft

Mekaguios Sisneros, 27, railroad laborer living in Belmont, was picked up by FBI agents late Tuesday afternoon and whisked to San Francisco for hearing before the U. S. marshal. Today, a wiser man, he was back home patching things up with his selective service board.

Federal authorities said the man was listed as a draft dodger, but he satisfied them that he was merely ignorant of his duties under the act. The charges against him were dismissed on his promise to report to his draft board.

Sequoia Japanese Girl Seeks Home in City

First of several such applications expected because of the order freezing funds of Japanese nationals and limiting the amount of money they can withdraw from banks, an American-born Japanese girl at Sequoia High School, 16 years old, needs board and room in a private home in exchange for work, according to James M. Eva, instructor in charge of the Sequoia Placement Service. Eva said that some salary was also desired by the girl, member of a large family which can no longer be supported on the amount of money permitted the father. Further information can be secured by telephoning Eva at the high school (Redwood 1980).

Slight Damage Done Drugstore by Blaze

Fire which did little other damage spoiled the late morning breakfast of seven customers in Lock Drug Co., Broadway and Arguello, Tuesday. Foremen said a disconnected flue and an overheated oven in the small kitchen used for the lunch counter caused a grease blaze. Fire Chief Mark E. Ryan said there was no appreciable damage. The blaze occurred at 9:55 a.m.

If You Want To Serve

Regulations on enlistments differ in the four branches of the U. S. armed forces. Here are the chief qualifications:

Army takes men from 18 to 36, accepts older men if they have served before. Married men must have affidavits showing that their dependents will be cared for. To re-enlist, they must have their wives' consent.

Navy takes volunteers from 17 to 50, but they must have special skills if they are over 36.

Marines take men from 17 to 30 for first enlistments, accept men up to 35 if they are re-enlisting. Only single men can join the Marines.

Coast Guard accepts volunteers from 18 to 31 for first enlistments, men up to 40 who have served before. Married men must have their wives' consent.

California State Guard takes men from 18 to 64 who are physically fit and who are not subject to immediate draft call.

All branches of the service require that men be physically and morally fit. They must have records (birth certificates, doctors' affidavits, etc.) to prove that they are (or intend to be) U. S. citizens and are within the age limits. Minors may enlist only with the consent of their parents or guardians.

Men and women of all ages can enroll for **Civilian Defense** as air raid wardens, first aid workers, etc., and everyone can help by buying Defense Bonds and Stamps.

Safety Drive Considered

Means of making the Peninsula a safer place in which to drive will be studied by a committee of the Redwood City 20-30 Service Club, it was decided at the organization's meeting last night at which new officers were installed: Jack Thomas, president; Harry Jenkins Jr., vice president; Lauren Campbell, secretary; John Mack, treasurer; Jerry Smith and John Held, membership captains.

Smith and Outgoing Pres. Robert Salz were named on the

committee to study traffic conditions. Discussion of the subject was opened by Smith, local service station operator, who pointed out that because of the rubber shortage many motorists would soon be driving on unsafe tires.

He suggested that because of the danger of blowouts at high speeds, and in order to conserve rubber, motorists voluntarily lower their speeds. He suggested 40 miles an hour

as sufficient speed.

Club members discussed the large number of people killed in Peninsula accidents, many of which were believed avoidable. It was suggested that a concerted campaign be sponsored by 20-30 clubs from San Francisco to San Jose to save lives in the interest of national defense.

The club also decided to appropriate funds each week to purchase defense bonds. Although many members of

Used Clothing Sought By Red Cross Here

Used clothes, regardless of repair or condition, are desired by the Red Cross for possible use of evacuees to this area, Chairman Floyd F. McCue of the local defense committee's Red Cross unit announced today.

Desired also are sweaters for use of soldiers doing sentry duty on the Peninsula.

A number of women have volunteered to clean such clothes and repair them, McCue said. More volunteers are needed. Mrs. Ruth S. Van Herwynen is to have charge of the repair work.

The clothing should be left at the Red Cross headquarters in the old First National Bank Building, Main St. and Broadway. If impossible to bring in the clothing, donors should telephone the office (Redwood 118) or Woodside headquarters (Woodside 292) and it will be picked up.

Peterson and County Sued Over Accident

L. O. Stockton of Salinas has filed suit in superior court for \$1143.95 damages from County Executive Frederick Peterson and the county for loss suffered in a Burlingame automobile accident Oct. 4. The board of supervisors denied the claim Dec. 2.

The complaint blames Peterson for the accident, and claims damage to a truck and trailer and loss of a load of fertilizer. Driver of Stockton's truck and trailer was J. R. Ausmuss.

Peterson, driving a county car, was slightly injured in the accident.

Stockton's attorneys are Harry Noland of Salinas and F. E. Hoffmann of San Mateo.
